EXPERIENCE

PRODUCT MANAGER - GROWTH | SCMP (ALIBABA-OWNED MEDIA COMPANY)

2019 - Present

- Leading the 1st Growth team at an Alibaba-owned media company, SCMP (with 1000+ staff), and established the basic foundations of A/B testing & growth experimentation process in collaboration with data, editorial, and marketing departments.
- 10x+ newsletter signup conversion, 25%+ commenting rate, 20%+ sharing rate, (and more), through growth experiments.
- Secured buy-ins to bring fundamental shifts in mindsets & processes within the company, such as looking at retention cohorts, financing product analytics tools, interviewing users & conducting user-testing prior to developing strategies and products.
- Launched automation & NLP tools (after winning our company hackathon) to assist editors in increasing social & SEO traffic.

FOUNDER & CEO | WEAVA (ACQUIRED) (CURRENTLY ACTING AS BOARD MEMBER)

2016 - 2019

- Built company from scratch to exit (soft-landing for mid six-figures USD), with 500K USD raised from angels in NYC, SF, Hong Kong, Australia & government funds. Research tool for students to highlight & organize research documents all in one place.
- Featured #1 Product of the Day on Product Hunt, Lifehacker, Austrian TechLife magazine, and universities such as Harvard & HKU.
- Scaled and monetized the product to 300k+ registered users from 200+ educational institutions in 50+ countries, with thousands of happy paying customers, including schools, classrooms, and individuals.

UX DESIGN | AMAZON (SEATTLE - CORE DESIGN TEAM)

2016

- Interned in Seattle office. Received full-time return offer as the 1st UX designer from Asia in the 30-person Core Design team.
- Prototyped new card concepts to facilitate continuous user discovery on Amazon's mobile shopping app homepage.
- Developed a scalable solution for displaying shopping categories at Amazon that tripled (+ >300%) click-through rate.

PRODUCT DESIGN INTERN | 9GAG

2015

- Designed projects and conducted UX research for 9GAG's webpage, mobile app onboarding, and App store conversion.

TRUE VENTURES FELLOW | TRUE VENTURES (SAN FRANCISCO)

2015

- Selected to join a fellowship by an early-stage VC (managing US\$800m+) & interned at its portfolio company, Runscope.

FRONT-END DEVELOPER INTERN | RUNSCOPE (SAN FRANCISCO)

2015

- Revamped & developed Runscope's support page and internal dashboard through UI research, design & coding.

A16Z GENERATION DESIGN FELLOWSHIP PROGRAM MENTEE | ANDREESSEN HOROWITZ

2016

- Selected as 1 of the 25 design students in a mentorship program that connects students with designers from the a16z portfolio.

FRONT-END WEB DEVELOPER | SUBLITE

2014 - 2015

- Prototyped a student internship & housing platform backed by Yale & Wharton's entrepreneurship funds. Grew to 10,000+ users.

STAFF REPORTER & DESIGNER | YALE ENTREPRENEUR MAGAZINE

2014 - 2015

- Wrote and published articles about entrepreneurship for Yale's only entrepreneurship magazine. Managed its layout design.

DESIGN CONSULTANT | YALE SCHOOL OF MANAGEMENT PROGRAM IN ENTREPRENEURSHIP

2014 - 2015

- Worked as a design consultant for startups founded by Yale School of Management graduates, including designing logos, branding, and packaging. Clients include, Tuckerman & Co (<https://www.tuckerman.co/>), Postalgia, and TummyZen.

STAFF PHOTOGRAPHER AND PUBLICATION & DESIGN ASSISTANT | YALE DAILY NEWS

2014 - 2015

- Photographed events, portraits & sports tournaments and designed layouts & infographics for Yale Daily News.
